

ulcorner • urcorner
plain
llcorner • lrcorner

A diagram showing a light red rectangular box. The word "plain" is centered inside the box in a grey serif font. Four black dots mark the corners of the box, with labels: "ulcorner" at the top-left, "urcorner" at the top-right, "llcorner" at the bottom-left, and "lrcorner" at the bottom-right. A small white circle with a black outline is positioned at the center of the box.

ulcorner • urcorner
rotated
llcorner • lrcorner

A diagram showing a light red rectangular box. The word "rotated" is centered inside the box, rotated approximately 30 degrees counter-clockwise, in a grey serif font. Four black dots mark the corners of the box, with labels: "ulcorner" at the top-left, "urcorner" at the top-right, "llcorner" at the bottom-left, and "lrcorner" at the bottom-right. A small white circle with a black outline is positioned at the center of the box.
